Tabulations Given Of County Voting On Amendments

Official tabulation of returns in the special constitutional amendment election showed little change in unofficial results. Amendments called for a higher ceiling and expansion of welfare programs and renewal of the veterans land program. Defeated was abolition of the poll tax as a requirement for voting and the proposal for pensions for Jefferson county officials.

Tabulations were as follows: Poll tax, for 268, against 650; welfare, for 594, against 295; Jefferson county pensions, for 256, against 496; veterans land, for 457, against 387.

Winners of the Sheffer Prize Party contest held by the Hamlin Herald were Mrs. H. S. Stovall, first, Cheryl Walton, second, and Tommy Johnson, third. All entries in the nationwide contest were to be postmarked Nov. 15 and will be judged after Nov. 30.

Warning! Poison Being Used at Hamlin Cemetery

The Cemetery Association announced this week that they are being forced to put out poison in the cemetery to try to exterminate the animals that are causing so much trouble digging into mounds.

Miss Lennie Greenway, secretary-treasurer, of the organization said that it is believed that badgers or some other type of burrowing animal is causing the damage.

She added that the announcement is being made in order to warn everyone to take extra precaution with their children or pets when they are taken on a visit to the cemetery.

It is hoped that this method will be successful in stopping the destruction.

PIPER BAND RECEIVES TWO FIRST RATINGS AT CONTEST

The Hamlin High School Piper Band received first ratings in both inspection and marching at the University Interscholastic League marching contest in Municipal Stadium in San Angelo last Saturday. Approximately 50 bands participated in the contest, including junior high school and high schools from class B through AAAA. Only six of the AA bands received first ratings.

In inspection the bands are judged on carriage, alignment, facings, movements, oral commands and appearance. Uniforms and instruments must be spotless. In marching the bands are judged on carriage and alignment, execution of drills, music and general appearance. All music must be memorized in order to qualify for a first rating.

The bandmen returned home in good spirits Saturday evening ready to begin work on concert music. The next activity on the band calendar is All-District band at Anson.

COUNTY TO RECEIVE BIDS ON VALUATION SURVEY NOV. 27

Jones County Commissioners Court has set Wednesday, Nov. 27, as date for receiving bids on conducting a valuation survey of Jones County property. County Judge Leon Thurman said this week that the commissioners authorized the action Friday.

Letters have been written to several appraisal firms, inviting them to submit bids. A meeting was held in early September with representatives of an Amarillo firm, McMorries and Co., Inc., and at that time it was learned the cost will be approximately \$50,000.

Representatives of the various taxing agencies of the county — cities and school districts — were invited to attend the meeting and were also invited to join in the revaluation program.

Judge Thurman said Monday it is now the plan of the county to proceed with the work and make the information available to these other tax bodies on a pro rata basis if they wished.

Efforts have been made over a period of years to get Jones County property revalued but they have not made any progress until this year. A search of the records, Judge Thurman said, does not reveal that a valuation survey has ever been made.

Jim McMorries of the Amarillo firm told the group gathered at the September meeting that not only will a survey equalize tax valuations but often unrendered property or property that is rendered too low will be found in sufficient quantities to furnish enough additional taxes to pay cost of the survey.

Judge Thurman pointed out a period of years to get Jones County that an additional 2 cents on the county tax rate for one year will be the cost.

RAINFALL TOTALS 1.25

Rainfall here late Monday afternoon and early Tuesday morning was recorded as 1.25 inches at the City Pump Station.

Livestockmen Warned of Prussic Acid Poisoning

Livestock producers were urged this week to be on the lookout for prussic acid poisoning in sorghum fields which have been frosted, according to County Agent, Kirby Clayton. Frosted sorghum can form a hydrocyanic or prussic acid poison, the first few days after frost occurs and this is very dangerous to livestock, says Clayton. The only safe way to graze the frosted sorghum is to wait until the sun dries most of the moisture out of the stalk. This usually requires about 10-15 days of sunshine. Unless suckers come out from the roots during this period, it should be safe to graze within 10-15 days after the first good frost.

When available, livestockmen should fill the cows with good dry fodder before turning into the fields. If in doubt, producers are urged to observe the cattle closely for the first two hours after turning into the field. Trouble usually occurs during the first few hours of grazing, says Clayton. For further information, contact your local County Agent.

Kids do say the craziest things sometime... at a recent Ice Hockey game, my little boy said "Boy, how'd you like to be that puck?" Having just seen two big sticks slashing at it, I told him that I wouldn't care to change places at all. Now this may seem peculiar, but this set me to thinking just how much better off I am than that little old puck. In the first place I can move about at my own free will, and I have a mind to think with, and a soul... yes, its a real honor to be created in God's image. Also I can go to church each Sunday and worship God... now I love this and feel that it is a wonderful privilege. How about you... won't you be my guest at church this Sunday?

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

By MRS. ELMER JOINER

There is no reason to mention the weather this Monday morning, only to say that this community, along with most of the State, is getting serious about the drought conditions. Every thing is still green, even winter hasn't arrived, maybe it will all come together some of these days, a big snow and freezing weather.

Last Monday night a good crowd met at the church and did a lot of painting, all of it upstairs in the Sunday School rooms. The rug was put down on the nursery, making it warm for the babies to play on the floor. There is still a little painting to be done on some tables and chairs, then every thing will be fresh and clean once more.

Mr. and Mrs. Winson Gray visited with the Goodwins, after prayer services Wednesday night.

Mr. and Mrs. Bill Clements and girls, former residents of Abilene, now living in Lubbock, ate supper and visited with his aunt, Mr. and Mrs. Flavi Holmes Saturday night. Mr. and Mrs. Jack Wright and children, were also present.

Sunday afternoon, Mr. and Mrs. Holmes and the Wrights went to Peacock, where they met Mrs. Holmes sister, Mr. and Mrs. R. O. Clements, Pam-pa, in the home of Mr. Clements' parents, Mr. and Mrs. Bob Clements.

Mr. and Mrs. Runt McCoy, visited her parents, Mr. and Mrs. Elmer Joiner Saturday night.

Mr. and Mrs. Newman Jones, Stamford, spent Sunday with his brother, Mr. and Mrs. R. M. Jones. Mr. Jones has been in failing health the last two years and it is good to see him able to go visiting.

Rev. and Mrs. Kenneth Lev-erett, Kimmy and Kristy, Mr. and Mrs. Fred Rosenbaum, were dinner guests of the Join-ers, Sunday.

Mr. and Mrs. Joe Ford ate dinner and supper with their son, H. L. Ford and family, Sunday. Sunday afternoon they went to Stamford and attend- ed the 50th wedding anniver- sary celebration of Mr. and Mrs. Jess Compton.

Mrs. Elmer Joiner and Mrs. Woodrow Goodwin were the guests of the Bluebonnet Home Demonstration Club, of Anson.

last Thursday afternoon, in the home of Mrs. Homer Nowell, south of Anson, down in the country. The club had a pro- gram on Christmas Decora- tions and Mrs. Joiner gave the report on the State Meeting, held September 17 and 18, in San Antonio. The Nowells are retired and have built a lovely home on the farm where the Goodwins lived at one time, years ago.

Mr. and Mrs. Fred Rosen- baum went to the home of Mrs. Tennie Renfro, Sunday after- noon, to visit with Mrs. Rosen- baum's aunt, Mrs. Mary Down- ey. Mrs. Downey has been stay- ing with her sister, Mrs. Ren- fro, for some time, to be near their brother Frank Riddle, who has been seriously ill, in the Hamlin Hospital. Mr. Rid- die's condition is no better, very serious.

Mr. and Mrs. Winson Gray were visitors of the Mel Jones Saturday night. The Jones now living in Hamlin.

The Fairview Church will observe Thanksgiving with a supper, on Wednesday night, Nov. 27, at the Oil Mill Guest House. This being the regular time for the monthly family night, the committee decided to have the supper and a Thanksgiving program. The la- dies are divided in three groups, and take time about preparing and planning for family night, which is always enjoyed very much, since there are only enough of us to about make one big, good sized, fam- ily.

The Earnest Davis family, who lived in the McDuff house, have moved.

COUNTY TO RECEIVE BIDS ON VALUATION SURVEY NOV. 27

Jones County Commissioners Court has set Wednesday, Nov. 27, as date for receiving bids on conducting a valuation survey of Jones County property. County Judge Leon Thurman said this week that the commissioners authorized the action Friday.

Letters have been written to several appraisal firms, inviting them to submit bids. A meeting was held in early September with representatives of an Amarillo firm, McMorries and Co., Inc., and at that time it was learned the cost will be approximately \$50,000.

Representatives of the various taxing agencies of the county — cities and school districts — were invited to attend the meeting and were also

invited to join in the revaluation program.

Judge Thurman said Monday it is now the plan of the county to proceed with the work and make the information available to these other tax bodies on a pro rata basis if they wished.

Efforts have been made over a period of years to get Jones County property revaluated but they have not made any progress until this year. A search of the records, Judge Thurman said, does not reveal that a valuation survey has ever been made.

Jim McMorries of the Amarillo firm told the group gathered at the September meeting that not only will a survey equalize tax valuations but often unrendered property or property that is rendered too low will be found in sufficient quantities to furnish enough additional taxes to pay cost of the survey.

Judge Thurman pointed out a period of years to get Jones County property revaluated but they have not made any progress until this year. A search of the records, Judge Thurman said, does not reveal that a valuation survey has ever been made.

Livestockmen Warned of Prussic Acid Poisoning

Livestock producers were urged this week to be on the lookout for prussic acid poisoning in sorghum fields which have been frosted, according to County Agent, Kirby Clayton. Frosted sorghum can form a hydrocyanic or prussic acid poison, the first few days after frost occurs and this is very dangerous to livestock, says Clayton. The only safe way to graze the frosted sorghum is to wait until the sun dries most of the moisture out of the stalk. This usually requires about 10-15 days of sunshine. Unless suckers come out from the roots during this period, it should be safe to graze within 10-15 days after the first good frost.

When available, livestockmen should fill the cows with good dry fodder before turning into the fields. If in doubt, producers are urged to observe the cattle closely for the first two hours after turning into the field. Trouble usually occurs during the first few hours of grazing, says Clayton. For further information, contact your local County Agent.

Kids do say the craziest things sometime... at a recent Ice Hockey game, my little boy said "Boy, how'd you like to be that puck?" Having just seen two big sticks slashing at it, I told him that I wouldn't care to change places at all. Now this may seem peculiar, but this set me to thinking just how much better off I am than that little old puck. In the first place I can move about at my own free will, and I have a mind to think with, and a soul... yes, its a real honor to be created in God's image. Also I can go to church each Sunday and worship God... now I love this and feel that it is a wonderful privilege. How about you... won't you be my guest at church this Sunday?

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

By MRS. ELMER JOINER

There is no reason to mention the weather this Monday morning, only to say that this community, along with most of the State, is getting serious about the drought conditions. Every thing is still green, even winter hasn't arrived, maybe it will all come together, some of these days, a big snow and freezing weather.

Last Monday night a good crowd met at the church and did a lot of painting, all of it upstairs in the Sunday School rooms. The rug was put down on the nursery, making it warm for the babies to play on the floor. There is still a little painting to be done on some tables and chairs, then every thing will be fresh and clean once more.

Mr. and Mrs. Winson Gray visited with the Goodwins, after prayer services Wednesday night.

Mr. and Mrs. Bill Clements and girls, former residents of Abilene, now living in Lubbock, ate supper and visited with his aunt, Mr. and Mrs. Flavi Holmes Saturday night. Mr. and Mrs. Jack Wright and children, were also present.

Sunday afternoon, Mr. and Mrs. Holmes and the Wrights went to Peacock, where they met Mrs. Holmes sister, Mr. and Mrs. R. O. Clements, Pam-pa, in the home of Mr. Clement's parents, Mr. and Mrs. Bob Clements.

Mr. and Mrs. Runt McCoy, visited her parents, Mr. and Mrs. Elmer Joiner Saturday night.

Rev. and Mrs. Kenneth Lev-erett, Jimmy and Kristy, Mr. and Mrs. Fred Rosenbaum, were dinner guests of the Joiners, Sunday.

Mr. and Mrs. Joe Ford ate dinner and supper with their son, H. L. Ford and family, Sunday. Sunday afternoon they went to Stamford and attend-ed the 50th wedding anniver-sary celebration of Mr. and Mrs. Jess Compton.

Mrs. Elmer Joiner and Mrs. Woodrow Goodwin were the guests of the Bluebonnet Home Demonstration Club, of Anson.

last Thursday afternoon, in the home of Mrs. Homer Nowell, south of Anson, down in the country. The club had a pro-gram on Christmas Decorations and Mrs. Joiner gave the report on the State Meeting, held September 17 and 18, in San Antonio. The Nowells are retired and have built a lovely home on the farm where the Goodwins lived at one time, years ago.

Mr. and Mrs. Fred Rosen- baum went to the home of Mrs. Tennie Renfro, Sunday after- noon, to visit with Mrs. Rosen- baum's aunt, Mrs. Mary Down- ey. Mrs. Downey has been stay- ing with her sister, Mrs. Ren- fro, for some time, to be near their brother Frank Riddle, who has been seriously ill, in the Hamlin Hospital. Mr. Riddle's condition is no better, very serious.

Mr. and Mrs. Winson Gray were visitors of the Mel Jones Saturday night, the Jones now living in Hamlin.

The Fairview Church will observe Thanksgiving with a supper on Wednesday night, Nov. 27, at the Oil Mill Guest House. This being the regular time for the monthly family night, the committee decided to have the supper and a Thanksgiving program. The la- dies are divided in three groups, and take time about preparing and planning for family night, which is always enjoyed very much, since there are only enough of us to about make one big, good sized, fam- ily.

The Earnest Davis family, who lived in the McDuff house, have moved.
